## DESCRIPTIONS & PRICING

### Shows:

Mad Science Shows are spectacular interactive science-themed shows designed to amaze and entertain young audiences of any size. Children can conjure foggy dry ice storms, float on a Mad Science hovercraft, watch a foam factory at work, and so much more! Mad Science Events are ideal for Christmas, March break and Corporate Events, and can be customized to suit any group size, budget or time frame. Mad Science is a unique way to entertain an audience of children and is guaranteed to create memories that will last a lifetime!

	<b>First Event</b>	<b>Each Additional Same-Day Event</b>
<b>Price per Event</b>	\$395	\$350

- ★ 30 - 45 minutes in length
- ★ Ideal for up to 200 children
- ★ Travel fees may apply
- ★ Prices in effect until Dec. 31, 2018

# Fun Stations:

Watch children enjoy science like never before when you choose one or more exciting, interactive and hands-on activity for your special gathering. Each Fun Station will be staffed by a dynamic Mad Scientist and they can be positioned anywhere throughout your facility. As children move about freely, they will have the opportunity to participate in a cool hands-on activity which they will then be able to take home.

	<b>One Booth</b>	<b>Two Booths</b>	<b>Three Booths</b>
<b>One Hour</b>	\$295	\$450	\$595
<b>Each Additional Hour</b>	\$200	\$325	\$425

- ★ Can accommodate up to 100 children per hour at each Fun Station
- ★ Travel fees may apply
- ★ Prices in effect until Dec. 31, 2018

## **TESTIMONIALS**

"I really could not suggest anything to be done differently. It was an awesome event. The kids loved it...they had their eyes glued on the Mad Scientist. He was excellent. Even the parents laughed and enjoyed the experiments. The children learned about science while having fun!!!! This was an unforgettable experience."

Elaine Florida, Brampton, Ontario

"Vanessa did a great job last week. All of our little brothers and little sisters had an amazing time. Thank you very much!"

Dale Mongru, Amgen Canada

"Thank you so much to the Mad Scientist team who came over last weekend. They were great, kept the kids entertained and focused during their presentation. The dry ice, slime, and cotton candy were a hit!"

Deirdre Fernandes, Toronto, Ontario
